If you are a victim or have knowledge of any sexual assault or harassment in the jail, you may report it by contacting any staff member, completing a jail kite, or confidential medical kite. You can also dial the Public Defender’s Office at no cost for reporting. Any report of sexual assault/harassment will be promptly and thoroughly investigated, as well as any incidents of retaliation against the staff or I/P who reported the abuse.

INSPECTION / CELL MAINTENANCE: Every morning there is an inspection by facility staff to ensure that the I/P’s cell and common dayroom areas are clean and orderly. Cleaning carts are provided for each section allowing I/P to clean their cells and common areas.

Telephone, Tablet and TV privileges will be suspended until satisfactory completion of the morning inspection. Failure to keep cells and living areas clean throughout the day may result in the loss of privileges until the areas are cleaned to the staff’s satisfaction.

CLOTHING and BEDDING: Per Policy Section 12, Chapter 5, General Provisions each I/P is issued below clothing:
- Clean Shirt
- Clean Pants
- Clean Undergarments. Men receive two (2) pairs of boxer shorts and one (1) undershirt. Women receive one (1) bra, one (1) nightgown and three (3) pairs of panties.

I/P without money in their account may order a Commissary WELFARE KIT weekly. Each WELFARE KIT contains stationary and hygiene items. Add-on Welfare items are also available.

Disputes with your commissary order must be handled at the time of delivery. Sales are final when you step away from the delivery window. Products that require commissary staff to note booking numbers are non-refundable. I/P will be given the opportunity to accept the product prior to marking the product.

I/P Profits from Commissary purchases and phone revenue provide funding specifically for I/P Services, I/P vocational and educational programs, and recreational equipment in the facilities.

**VISITING:** I/P may have two-30-minute visits per week, with two people maximum per visit, including children. Visitors under 18 must be with a parent, grandparent, or legal guardian. A valid photo ID is required to enter the facility. Visits may be delayed or forfeited due to facility operations, or as a result of I/P discipline.

There is no expectation of privacy in the visiting area; all communication may be recorded or monitored in the visiting area. The only exceptions for privileged communications are attorney and chaplain.

**VISITATION PHONE INSTRUCTIONS:** Once seated, pick up the phone receiver and select 1 for English or 2 for Spanish.

It is the I/P's responsibility to ensure they have their proper person number before going to a visit.

The I/P will be prompted to enter their person number and PIN number. An announcement will state, "This call is subject to monitoring or recording. You may start the conversation now". The visitor will receive the same announcement and the connection is made.

**VIDEO VISITATION:** To log in, I/P will use their 5,6, or 7-digit person number. Do not use your PIN or your booking number. When you connect, do it once. Don't log in and out repeatedly. It takes the time for the secure connection to be made. If your visitor isn't there, it means they forgot about the visit.

Do NOT schedule visits during times you are not in the dayroom or program time. No Photos, Videos or Screenshots of I/P shall be taken during video visitation. Only the scheduled I/P is allowed to participate in the visit. I/P must lock down during emergencies or movement and as requested by staff. I/P who violate video visitation rules can be suspended from use of the system. Access to the system is a privilege, not a right.

If there are any technical issues with the video visit, your visitor can contact Securus for a refund. This system is not owned by the Ventura County Sheriff’s Office. Grievances can be submitted for technical issues, but the Sheriff’s Office cannot resolve billing discrepancies or issues.

**DAYROOM TELEPHONES:** Telephones are located in each housing section. I/P can make calls during their dayroom time. Incoming calls are not allowed. I/P can call the Public Defender’s Office at no cost by dialing 9055 when prompted to enter area code and number. I/P who damage telephones will receive disciplinary action and/or criminal prosecution. PIN numbers shall not be shared with other I/P. If the issued PIN number does not work, submit a KITE marked "Securus Phone".

**HEARING IMPAIRED:** TTY and Video Relay Service (VRS) systems are available for use. Please submit a kite for access to these systems.

There is no expectation of privacy inside the jail.

Phone calls may be recorded or monitored in the housing dayroom. The exception is for privileged attorney-client communication.

**PHONES DIALING INSTRUCTIONS:** Pick up the phone and dial 1 for English, 2 for Spanish. To make a Collect, or pre-paid call dial 1, for a debit call press 2 and for commissary press 3. After selecting 1 (collect/pre-paid) or 2 (debit) the I/P enters their person number followed by their four-digit security code. Next, enter the area code and phone number.

It is the I/P’s responsibility to submit a kite to CIR, requesting to be placed on the court list for their appearance. This kite must include the court case number, courtroom number, date and time of the appearance, or a copy of the summons. Kites must be submitted at least one week prior to the appearance.

Consistent violations of this policy may lead to additional loss of reading material.

VOTING: I/P who is eligible to vote should submit a KITE to Inmate Services to register to vote, re-register or request a Vote-By-Mail ballot. To receive your ballot, you must register to vote no less than 15 days before Election Day. Elections typically take place in June and November. It can be used to question a policy, rule, procedure or to appeal an I/P’s classification or disciplinary finding. Grievances shall pertain to one issue per form. Content, which is disrespectful toward staff is subject to disciplinary process. The Facility Manager will be notified of any I/P who submits an excessive amount of grievances, or files frivolous grievances. The Facility Manager determines when an I/P files excessive or frivolous grievances and will designate a unit or staff member for handling. The I/P will be notified in writing when this occurs.

If the I/P does not feel the response is satisfactory, the grievance may be appealed to the next level. All previously answered comments and appeals on the same matter must be included upon each appeal.

I/P shall not fill out grievance forms on issues that involve their court cases. “A Writ of Habeas Corpus” is the correct form for dealing with the Courts. A “Writ” may be obtained by submitting a KITE to Inmate Services. Multiple copies of the “Writ” will be given since I/Ps are not given access to a photocopy machine nor will jail staff provide any copying services for I/P.

COUNTY PAROLE: Ventura County operates a county parole system which allows eligible I/Ps to apply for an early release from custody as a locally supervised parolee. The Public Defender may be able to assist you with filing out the application.
DISCIPLINARY VIOLATIONS: Any violation of the law or jail rules regulating I/P conduct and/or behavior may result in disciplinary and/or criminal action against the I/P.

Violations of Facility Rules are classified as either “MINOR” or “MAJOR” depending on the seriousness of the violation. Four (4) MINOR violations within a 30-day period will result in a MAJOR violation. While in disciplinary housing*(only applies to PTDF), two (2) MINOR violations within a 30-day period will result in a MAJOR violation.

MINOR violations may result in a verbal advisement, assignment of extra work, loss of dayroom and loss of tablet privileges. MAJOR violations may result in one or more of the following: loss of commissary and/or visits, video visitation and removal from work status, loss of good time and/or work time, assignment of extra work, time in disciplinary housing, loss of dayroom and loss of tablet privileges.

When an I/P receives a write-up, they are given a written notification of the violation. In the case of a MAJOR violation, I/Ps are given 24 hours to prepare a defense. At the disciplinary hearing, the I/P is given the opportunity to explain their actions. If an I/P decides to waive their 24 hours, the hearing may be held anytime within a 24-hour period. However, the hearing must occur within 72 hours of the written notification being made. In some instances, discipline may be imposed immediately depending on the needs and safety of the facility.

An I/P must advise the Senior Deputy at the time of their hearing of the name(s) of other I/P who may be a witness to the incident and who may provide information on their behalf.
